

JOB POSTING

Company Name: SIM Digital / Bling
Position Title: Digital Dailies Technician
Employment Category: Contract – Nights and Weekends
Location: 5858 Lougheed Hwy, Burnaby BC
To apply: Please submit a resume and cover letter to HumanResources@simdigital.com

SUMMARY

SIM Digital, a leading supplier of production equipment, workflow and post-production solutions, is currently looking for a Freelance Dailies Technician to work out of our Burnaby office.

We are seeking an individual who works well in a fast-paced and collaborative environment, can comfortably communicate with clients and co-workers, and is technically savvy.

* Note: This is a contract job requiring working overnight shifts

PRIMARY DUTIES AND RESPONSIBILITIES:

- Processing and syncing digital dailies to editorial specifications.
- Working closely with a few of the on-set crew members.
- Frequent communication with members of post-production.
- Assuring the quality and accuracy of the master media for archiving.
- Troubleshooting any issues that may arise during the course of the job.

QUALIFICATIONS:

- Proficiency at transcoding video and post-syncing.
- Familiarity with AVID environments.
- Understanding of ARRI, RED, and RAW file-based workflows is an asset.
- Knowledge of dailies processing software is an asset.
- Technical understanding of television specifications.
- Diplomacy and sensitivity when working and communicating with clients.
- Organizational skills, attention to detail, and ability to work under pressure.
